“ As I wrestle with the thought of you not being here with us, I look back and think of all the good times we had together. I will always remember how honest and true you were, you always spoke your mind, you always did it your way. you loved your family with all your heart and would do anything to protect them and provide for them, you will truly be missed but you certainly never be forgotten. RIP my brother my friend my twin for 19 days I will miss you.

Your big brother Jerome (AKA Fat)
