“ To Sallie Cox Gomez and all the Allen Family:

*When a calming, quiet presence was all that
was needed,
She was there,
In the excitement and miracle of birth or in the mystery and loss of
life,
She was there,
When a silent glance could uplift a patient, family member or friend,
She was there,
At those times when the unexplainable needed to be explained,
She was there,
When the situation demanded a swift foot and sharp mind,
She was there,
When a gentle touch, a firm push, or an encouraging word was
needed,
She was there,
In choosing the best one from a a family's "Thank You" box of
chocolates,
She was there,
To witness humanity, its beauty, in good times and bad, without
judgment,
She was there,
To embrace the woes of the world, willingly, and offer hope,
She was there,
And now, that it is time to be at the Greater One's side,
She Is There !
