“ He was the greatest guy in the world ! he was caring and supportive of his family and friends. he was smart and funny, witty, classy. his presence always commanded respect. he was a real ladies man ! he was the life of the party. every one loved Ray and where proud to know him.he was never judgemental. he was always fair and told the truth. he taught me how to water ski, he was a musician he loved to play the guitar. he loved music. people where proud to know him. he was a friend to everybody. we hung out and partied together for 47 years. I love him and will miss him.
