

Rosa Lee Jackson

January 3, 1937 - July 26, 2021

Our beloved Rosa Lee Jackson passed away on Monday, July 26th 2021. She was loved and cherished by her late husband Frank Lee Jackson where their affection for each other continued to grow in their home in Deerfield which she strategically adorned with grace and beauty. They were united in holy matrimony August 27, 1965; and, only his death parted them October 4, 2001. Rose was born January 3, 1937, to Lonnie Bell and Carrie Belle Batten in Deerfield Beach, Fl, where she attended school and spent most of her life; she was truly a Floridian, although she and Frank lived a few years in Ohio. Rose's primary occupation was as a Domestic Engineer; every home in which worked, she was embraced as part of the family. Yes, she was well known and loved throughout her community and beyond.

The apple of her eye was Courtney Osborne, who she raised from birth and gave him unconditional love, yet, he preceded her in death. She also, along with her mother and father, helped in the raising and nurturing of Willie Jones who we all know as Cadillac, primarily during his late teens into adulthood. This was her life's story; Aunt Rose never had biological children, yet she embraced many children and cared for them and each of us as her own. Her motherly affection extended beyond her nieces and nephews, but children in Florida and beyond. She had three godchildren, the late Derrick Gay, who spoke fondly of; and, listened to hear his voice as he sang, "When the Gates Swing Open"; Lynette Turner-Dorsey and Tyrone Stubbs.

Yes, Rose was a Giver. Her middle name was Lee but could have been

Generosity. She was known and appreciated by many as she gave of her time, her talents and her resources.

There was no distance in her love for family and friends. She cared for her mother until her passing in 1994. She was at the side of her husband who she affectionately called Sonny until he went home. Countless trips north to south and east to west to visit in all Seasons.

In the Spring of life, she came to see the family newborns and watch them grow with joy and admiration; in the Summer of life when the sun was

shining bright and everyone was full of joy and laughter, she was there.

Knowing Fall would come and the Family Tree would be shakened like the leaves. Loved ones began to fall one by one; nevertheless, our precious Rose would be there. She would console and dry the tears from our eyes, because distance and time meant nothing to her as her love was endearing for all of us and those who went before.

Now, winter has come and a chill is in the air that envelopes us today. She will no longer be able to call us by her pet names and say witty things. Yes, we've experienced a heavy snowfall. Each snowflake is unique, not one of them is the same, nor was our Rose. She was a Designer's Original, and truly one of a kind. Nevertheless, her warmth, smile and hearty laughter will always be remembered. her son Thomas Osborne and wife Nora and their beloved grandchildren.

Loved ones who preceded her in death were her beloved husband Frank Lee Jackson; their sons, Courtney and Carnell. Rosa's mother and father Carrie and Lonnie Batten; brothers and sisters; Lonnie Batten, Jr., Viola Reckley, Minnie Anderson, James Batten and Louise Fleming.

Rosa Lee leaves us with such fond memories; first, her son Thomas Osborne and wife Nora and grandchildren; her daughter-in-law Marilyn McGee and deceased husband Carnell and their children and grandchildren; her beloved brother Henry Louis Batten of Pompano Beach; and, sister Deloris McKeever; along with a host of nieces, nephews and cousins.

Rosa had an infectious personality, and, as result, she had special friends toonumeroustname. However,BonitaLourdoneMasonofDeerfield Beach, she affectionately called Ladone who remained by her side even in Death; and, for that, we say, thank you.

Most importantly, let us rejoice in the fact that, at the end, she gave her life to Christ; and, Jesus became her Lord and Savior

“*Rosalie is someone that came into my life at a very young age. She took care of me and my brother Tommy as if she was our own mom. I spent time with her on weekends with her home along with her nephews Buddha and Earl. I remember I spent an entire summer with Rosalie and Pompano Beach. She was like auntie and a mother. She had a hardest biggest outdoors. She always told me that she loved me and my brothers if we were her own children. The love she had for people was endless. I was saying to find out that she had passed several weeks ago and I had no knowledge of it. But I found comfort and knowing that Father God and Jesus Christ are with her and she is resting with sunny and the sun that she took and raised as her own until he lost his life to two I for injury. She never got she never got over the death of him. She loved him very much. Rosalie lived her life to the fullest she traveled her life was like no other she was not afraid to go anywhere to do anything to see anyone to travel anywhere I will talk to her at least twice a year. She knew I loved her and I know she loved me and my brother Tommy. I'm burning a candle for her and honor of her life and I know she had a happy life and I know she died in peace and I know that I will see her again and eternity because she had a good heart. I will miss you Rosalie Jackson and thank you for bringing Uncle Sonnie Earl Grant and Buddha into my life 🙏💙*

This app that did not allow me to correct my type O's what I was saying was that Rosalie took me and my brother into her home and loved us like her own children. She taught me many things about life. She molded me into the young adult that I am now. I've never posted on something that you could not go in and correct so this is why I'm making another post. The bottom line is that Rosalie was a mom and auntie to me and my brother Tommy and I know Buddha and Earl loved her just as much as we did and she will never be forgotten ever because she had a beautiful soul inside and out.

“ *Dear Rosalee, or “Rosie”, as my mom Gladys Cowherd would sometimes call you. When I’d come home from school as a little girl, you were always there for me to talk to, and would laugh joyously with me if I needed cheering up. You became a loving part of our family when I was young, and then a trusted friend and confidante as the years went by. I treasure my memories of our times together and will always be grateful that you were in my life. – Cathy Cowherd Ritti*
