“ *Runette was — and shall forever be — one of the best people in the universe. I am fortunate to have known her. We served together on public schools committees. Her service to public education shall echo through time. She embodies kindness, brilliance, compassion. Thank you for your life, Runette.*

“ A gentle spirit and a quiet soul but instruction came to you as firm as a Eagles Nest, I will never forget what you poured into my life back in the 1960's. I definitely learned persistence from you as I watch you and my mother (who was your PTA President), work tirelessly to make sure the New Sanders Park Elementary got the cafeteria it deserved . Rest now knowing you made a difference in many, many students lives , who were entrusted to you and those lives will be forever better people. May the Angels escort you into Heaven, where you will forever live with God, in a place made especially for you only !

“ *My teaching career began under Soror Mrs. William's leadership. She was a tough one. But, I must say her high expectations, and standards for excellence helped and groomed me as I grew in this profession.*

“ *She was a lovely woman, part 3 of the Golden Girls and she loved the blankets I gave her. My memories of her are treasured jewels in my book of life.*

*Smiles always,

3rd Way has lost and another one of Pompano's pioneers and treasures. You were one of the few remaining pillars and now have your wings in heaven. Thank you to Soror Williams for your years of service to the community and to our distinguished Sorority- Delta Sigma Theta Sorority.

Soror Sheri Brown, on behalf of the Pitts Family on 3rd Way.
