Biography of Shanel Samson

Shanel, born on March 14, 2005, was a bright, vibrant soul who touched the lives of everyone around her. She graduated from Deerfield High School, where she was known for her infectious smile, boundless creativity, and love for fashion. A true individual, Shanel had a flair for self-expression—whether it was through her creative hairstyles or the colorful outfits she effortlessly pulled together. Her personal style was as unique as her personality, and she was always a trendsetter among her friends.

Shanel had a deep love for life and a passion for singing, often belting out her favorite songs in the shower. Her energy was contagious, and her laughter and warmth could light up any room. She was a true family girl at heart, deeply bonded with her loved ones. Like any sister, she had her playful disagreements with her brothers but always found a way to make up and keep the family close.

Her favorite foods were as vibrant and varied as her personality. She adored chicken noodle soup, tacos, and her cultural dishes like legume, sos pwa, and ak diri blanc. These were not just meals; they were moments of comfort and love shared with family.

Sadly, Shanel left us far too soon, passing on November 21, 2024, at the tender age of 19. Though her time with us was brief, the impact she made will be felt forever. Shanel was loved deeply by her family and friends, and her absence leaves a void that will never be filled. She will be remembered for her beauty, her kindness, and the joy she brought to those who were fortunate enough to know her.

Rest in peace, Shanel. You will always be cherished and greatly missed.

“ Dear Shanel💔💔

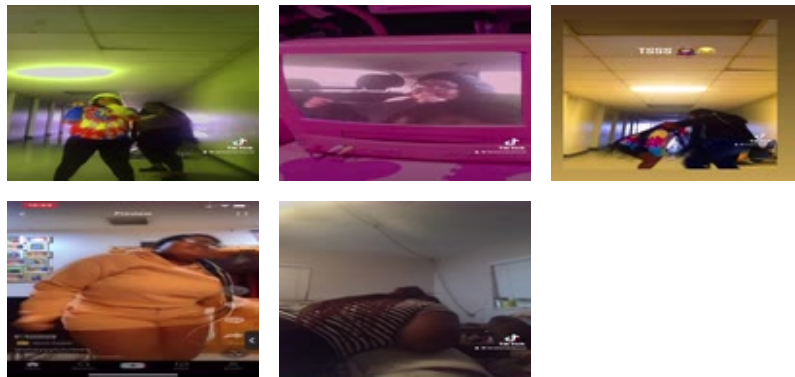

I have thought about what I've been wanting for a while now. I went to the hospital and found out you were no longer with me anymore. I didn't want to believe or accept it , I still don't because you will always be here with me in my heart . God bless me with getting to know and love you shanel . You're my sister . You came into my family and they accepted you as their own. I love you my girl , my sweet sweet girl. I know you're in heaven with the lord my love. I'm just mad I didn't get more time with you. You are amazing and always will be .

“ *Shanel To me, she wasn't just a friend; she was family, my confidant, my partner in every adventure. Shanel had a light that could brighten the darkest days. She had this incredible ability to make everyone around her feel seen and loved. Whether it was her laugh, her kind words, or her unwavering support, she left an impact on everyone she met. Through the years, Shanel taught me the meaning of true friendship. She showed me how to embrace life, even when things weren't perfect. We shared countless memories moments of laughter, tears, and growth. I'll always treasure the way she encouraged me to be my best self and how she stood by me no matter what. While losing her leaves a hole in my hearts, I find comfort in knowing that her love, kindness, and spirit will live on in each of us. Shanel may be gone from our sight, but she will never be gone from our hearts. Rest peacefully, my beautiful friend. You will be missed, 💕💕*
