“ Don't know what to say, I'm glad I saw not along ago and we sat on the porch and you were able to tell my future wife all about how bad of a kid I was and how you'd take care of the whole neighborhood when we would come over after school. You were the best grandma a boy could have.

“ Our heart goes out to the entire family. We have many good memories of Sharon back in the 80's. Helping us get our feet on the ground to live in Florida. I was always grateful for the way she made me feel right at home and took us in for awhile. She will be deeply missed by all. Our sincere condolences go out to Will, William and James and to all the grandchildren ❤️🙏 Kim & Warren Sanders
