“ *On behalf of the James F. Keller High School Graduating Class of 1969, we extend our sincere condolences to the family of Stanley S. Givens. Our hearts are heavy but we take comfort in knowing that Jesus held out the hope of the resurrection of our dear loved ones. We will see you again, Stanley. We treasure the fond and funny memories we have of you in class. We especially remember you in English class with Mrs. Carter and Science class the day Mr. Peterson was trying to make hydrochloric acid and it blew up. Thank goodness we all were ok. You were a great classmate and friend. I also know it was you who put that tack in my seat LOL.*
