“ *In deepest sympathy to the family of Tamekia, I'm sorry for your loss and hopefully through it all, there will be comfort to the family.*

Me and Tamekia, are coworkers at the bcsb (broward county school board) as bus drivers. She was a very good person, with a great personality and good spirit. Always kept you laughing with her jokes. I lost touch with Tamekia, it was very shocking to me that she passed away. I was praying and I thought she was getting better. The last we spoke on the phone she told me she was tired. So, now she doesn't have to suffer anymore/longer. She can finally be at a greater peace with no more worries or suffering day to day. I just wanted to say to the family look up and keep praying. She's gone for a short while and you'll see her again.

May Tamekia soul forever rest in good peace, I'll see you one day again. Take care, my friend.

May God Bless you and your entire family.
