“ Tavaris you were a great son-in-law. You spent time with the boys who you considered your sons and treated them that way. Your daughters are the image of you and will carry on your legacy. Your presence revealed an atmosphere of love, dedication and hope. Your family was your main priority and you took excellent care of them. You will be so missed by me and all that hold you near and dear. You were a one and only and no one can ever take your place in our heart. Much love to the family!
