“ *Thewana was truly an Angel! I admired her strength. And her love for Alexis, Jay & her grandkids was so passionate. What a fighter! She exemplified a woman of elegance & meekness. She is loved by so many.* 💖💖💖

“ Alexis and Jay,
Our hearts go out to you during this very
difficult time in your lives.
May God be with you.. hold each other tight
and you will get through this together and
heal over time..

*Thewana, was a great neighbor, always friendly, loved by all, and
amazingly strong to endure so much over the many years, but still
able to to fight and carry on her motherly duties even from her
hospital room, She has taught you both so much and reflect on
great times, lessons and trips you will never forget, cherish and hold
each happy memory, know she is always with you in spirit as your
forever Angel.. in our prayers, Susan, Cassandra and James

“ From the moment we first met, I felt like I had known her for years. She was such a beautiful person, and a friendly co-worker, and a sincere sister in Christ. As a neighbor, she was caring and compassionate to my mom. Even in her weakest hour, she was vibrant and talkative like times of old. She never changed. I will always remember Thewana as unmovable with the strength of a giant. To Alexis and Jay, may the memories of her always bring a smile across your face. My condolence to the extended family as well.
