I'm still in shock! This loss is deep and painful. Tracey was such a beautiful, kind and loving person. Growing up together she always looked out for all of us. That was just her heart. I'm saddened by this news. I pray that God covers her family and holds her baby girl very very close. My condolences to the entire Hall family and Tracey we shall meet again sweet angel 🙏🕊️!

“ *S.I.P beautiful Tracey. I remember when you called me to come over Phyllis's (S.I.P) to help you bathe Tamia for the first time. My forever memories will be of you loving your daughter as mama bear does. You were always soft spoken, very stylish and loving. Your love for your daughter, mom and sister and family was evident. God is love and is awaiting you with arms*

“ *Tracey,
This has been really hard to accept you are no longer here and I know you will be forever missed. I'm so honored to have known a kind, loving, nurturing soul like yourself with such a big heart. You remained yourself throughout all the years I've known you. You prided yourself on being a mother, Tamia is your everything, you made sure she was always okay and you stood by your word. Those are things I loved about you, you brought light to those who needed it most and I'm beyond thankful for the times I shared with you. I pray for your family, your daughter and the ones who cherished you may god grant them the strength to continue. You will forever be missed Tracey until we meet again.*
