“ *My dearest beloved Son, a Giant of a man, entry with the brain majoring in psychology , football star,basketball star, music master, poet. The best of me! It's so unbearable to get through this. You fought and surpassed the ultimate and became a miracle. I will never be the same, missing our family conversation, your advise and pressing me to use all my talent in knowing how Great you told me I am. My life has changed forever. My dear heart forever your mother.*
