“ Vickie was a dear friend, colleague and honorary Auntie to my 2 girls. She was beloved and will forever be missed. These past 8 years of working alongside Vickie will be remembered fondly. She was a bright light and will forever remain in our hearts.

“ *I can still hear her laugh when I would tell her some of my crazy life moments with my dog. I got to work alongside with her for just over three years, and I can honestly say that work will never feel the same without her. Vickie, you will be missed tremendously.*

“ Today, we gather not just to mourn the loss of Ms. Vickie, but to celebrate the incredible life she lived and the countless lives she touched.

Vickie was a beacon of kindness, strength, and grace—a woman whose presence brought warmth and light to every room she entered.

Her generosity knew no bounds, and her ability to listen, to truly hear, made each person feel valued and seen. Whether she was offering a word of encouragement, a helping hand, or simply her quiet support, Vickie had a way of making people feel at home in her presence.

She lived her life with purpose, anchored in love for her family, friends, and community. Her laughter was contagious, her spirit unshakable, and her love unconditional. She faced challenges with courage, always choosing hope over despair and faith over fear.

Though she may no longer walk beside us, her legacy lives on—in the stories we share, the lessons she taught us, and the love she poured into our lives. Vickie will always be remembered not just for what she did, but for who she was: a loving soul who made this world a better place simply by being in it.

I pray for peace, love and light for your family.

Sleep in peace, Ms. Vickie. Your light will never fade. You will always be Ms. Vickie to me and countless others.

“ *Vickie shouldn't just be remembered for who she was at work, but I think I speak for everyone when I say that it will never feel the same in that office without her. Vickie, you are so incredibly missed.*
