I've been searching for Virginia for so long now. When I went on zfacebook in 2017 I tried to find her , but I thought her maiden name was McGirt, but i see it was McGrit. Virginia used to help me with my housework back in the 1970s and early 80s. But we had become good friends. She was a great person.. I am so sorry to hear of her passing. If only I could have reconnected with her before she passed. I know she has a sister Betty who had worked at Holy Cross Hospital, she was living in Pompano. I was living in Sunrise ,Fla when we were in contact. Please accept my deepest condolences to the family, I am on Facebook , Joyce Yolanda Storch, if any of the family would like to speak with me. Virginia was the kindest, most dear person, may she rest in peace. Amen.
