It's about to be 2 years since you left this earth to go be with the rest of the family that has made it past this flesh stage of life. It's truly still hard and so heavy on my heart losing a mother and friend like you. No matter mother what has happened you're still the best mother I could ask for. Your passing didn't break me it made me stronger cause I know you wouldn't want me to fall or disappoint you because you're not here anymore. So mother I'm surviving and I strived on and I left Florida also am I'm doing great. I wish you the best peace that you could find in the afterlife that you couldn't get here. I love you mother always and forever ASE.....
