“ 100! I will always remember talks we had about 'kids these days' and just sharing life experiences. Calling my name from across the warehouse and I knew without a doubt that it was you. I'll miss the 'pockets & pant legs' comments every time you passed through the security checkpoint. In the short time we knew each other, we became friends, confidants & brothers. Be at peace and know the Lord watches over all who you loved in this life. You are missed & leave an empty place in the souls of all who had the honor of meeting you.

“ My sincere condolences to your family. I was a supervisor over Walt aka “100” as we called him when I worked at Visible Supply Chain. He was a very determined and funny employee. May your soul rest in heavenly peace my friend
