“ I would of never imagined that when I was laughing and talking with you on August 7th that on August 23rd you would be resting in the arms of Jesus. That it would be the last time I would be able to hug, kiss and say I love you. I will miss your beautiful smile, those cute dimples and sharing seafood boils with you. I will be forever grateful to God for the memories that we shared throughout the years. Rest well my dear, sweet brother and know that you will forever be in our hearts and memories of you will live on in the lives you touched. It is so hard to say goodbye, so I will say so long for now until we meet again. Love you so very, very much!!!
