“ *Ervan was a dear friend, I considered family,
on this Anniversary date 1 year after his
passing, there isn't a day that goes by that I
still talk with him through my heart and look at
his picture on my mantle, peace be with
Carrie, Kanicka, & Katari and all his family and dear friends, like the
Country song sez. "You are always on my mind. God's Blessings "*

“ Over the 17 years of friendship we shared with Ervin, his visit to us here in South Carolina stands out. We live on a lake and Ervin figured he would show us his maritime expertise by taking out my canoe. On his way in, he stood up near the dock and promptly fell in the lake. The photo of the incident has disappeared, but the look on his face will always be with me. - Danny Crew
